

## DEVELOPER

Rockefeller Group Development Corporation is one of the nation's leading real estate development firms. Owned by The Rockefeller Group, an owner, developer and manager of institutional properties for over 65 years, its real estate resources are extensive. The development corporation is currently planning and developing over 13 million square feet of building space. The firm has demonstrated its capabilities with the following types of properties:

- Foreign Trade Zones
- Corporate Headquarters
- Landmark Properties
- Multi-use Urban Complexes
- Multinational Distribution Facilities
- Suburban Business Parks
